

# Our Whole School **English** Flight Path

**Their journey begins at MPJS.**

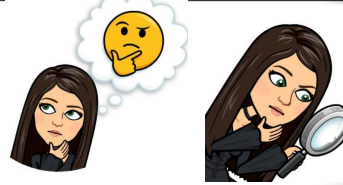

The journey begins in Year 3 where children consolidate their KS1 learning and move into the KS2 curriculum.

Lower  
KS2

Year  
3

In Year 3, children will begin their MPJS English journey. Here they will consolidate decoding, before becoming fluent, enthusiastic readers. They will develop the recording of their ideas whilst teachers further consolidate spelling, punctuation and grammar.

Year  
4

In Year 4, children will further their reading ability and become increasingly independent when justifying their views. They will begin to write longer pieces and demonstrate improving grammar and punctuation knowledge. They will also start to think further into purpose, audience and effect when writing.

Upper  
KS2

Year  
5

In Year 5, children will read a wider range of texts and use these to influence their writing choices. They will write with higher levels of accuracy and take increased responsibility for editing and up-levelling their writing.

**Children progress from lower KS2 to upper KS2 by developing their independence in reading and writing.**

Year  
6

The children finish their MPJS journey in Year 6. During this year, children will further their consolidation, practice and discussion of language and show a sound understanding of its effect in both reading and writing.

All children are exposed to a wide range of activities to engage them in reading and writing, including writing competitions, reading reward systems, trips and author visits.
